

Nature and extent of involvement of faculty and students in Academic affairs/improvements

To develop a cordial & healthy relation between the students & faculty members, the institute has framed policies for imparting quality education through active involvement of both the concerned parties, where annual plans are framed with goals keeping in mind the institute's vision and mission statements. Various committees are constituted to monitor all the activities concerning Academic affairs and development.

1. The institute encourages the faculty members to attend conferences and workshops, so that they can develop & groom themselves professionally and can share their experiences with the students and groom them accordingly.
2. To improve the research and academic activities within the institute, the college management provides them with a library having more than 5000 books and internet broadband facility.
3. Apart from teaching – learning and R&D activities, faculty are involved with portfolios like Deans, HODs etc. and contribute in the academic development of the institute, by keeping in mind student welfare.
4. Institute prepares an academic calendar, semester wise and strictly follows the schedule. Academic calendar is prepared with the joint efforts of faculty and students.
5. Students participating committee is constituted under the leadership of HODs of various departments to improve the involvement of students in all kinds of activities, which include teaching, learning, evaluations, sports and cultural activities etc.

6. Female students have also been given proportional representation at par with male students.
7. Regular meetings are conducted to discuss various issues related to academics, cultural activities, sports etc. Students are free to give suggestions, if they feel the need to give their opinions on any particular issue.
8. In regular intervals, cultural activities which includes performing and non - performing arts, competitions, drama, music etc. are being conducted for students' overall development.
9. We also encourage students to participate in social activities through their NSS teams in events such as blood donation camps, cleanliness drives within the campus & outside, organizing visits to nearby villages to promote and support school education along with social awareness programs etc.
10. All the important festivals like Diwali, Holi, Eid, Christmas, Republic day, Independence day, etc. are celebrated to develop religious & patriotic emotions; as well as to make them aware of the sacrifices made by our freedom fighters.
11. Students' council groups are formed to groom them as leaders through training and make them aware about their roles & responsibilities of different portfolios.
12. The chairman along with HODs of various departments, conduct meetings regularly with representatives of students to discuss matters related to academic curricular evaluation system, grievances, suggestions etc.
